

PATHWAY TO CRIP

Transportation

From the Airport: The hotels are approximately 20 miles from either Love Field (Southwest Hub) or Dallas Fort Worth Airport. Hotels in Frisco are not airport hotels and do not provide transportation to or from the airport. You have several transportation options:

1. **Airport Shuttle Services:** Share transportation whenever possible. A rideshare bulletin board will be available in the CRIP Registration Room to assist with return travel to airport. Two shuttle options are available but may require allowing extra time. Prices are subject to change.

- o Yellow Checker Airporter: 817-267-5150, \$44 round trip when booked online at www.goyellowcheckershuttle.com/crip2012
- o Super Shuttle: \$52 round trip, www.supershuttle.com

2. **Car Rental:** You can rent a car at the airport. Contact your hotel or check their website for driving directions.

3. **Taxi:** Taxi service to the hotel is very expensive, more than \$50 one way from Dallas Fort Worth, although sharing a taxi could help cut down on cost.

Driving: There is limited free parking at the hotel. Garage parking is \$10/day.

Plan to attend one of the evening CRIP & Match Orientations on Wednesday, 1/11 and Saturday 1/14. The CRIP process will be briefly explained, including callbacks. Ranking and Match will also be reviewed.

Programs will not finalize their CRIP plans until the end of November. We will post lists of specific interview days to the website once we know.
