PROGRAM OVERVIEW

The podiatry residents are the only residents at hospital. There are no clerkships at this program. Prospective applicants can call for visits.

The Program is currently been placed on probation by CPME following their on site visit. THE PROGRAM IS SUBMITTING THE REQUIRED DOCUMENTATION TO CPME. THE PRGRAM HAS NO INTENTION OF WITHDRAWING. CPME requires the following verbage for all applicants until probation is lifted.

As required by CPME, the PMSR/RRA sponsored by Fountain Valley Regional Hospital and Medical Center is approved on a probationary basis by the Council on Podiatric Medical Education. Probation indicates that a residency is in noncompliance with the Council's standards and requirements for approval to the extent that the quality and effectiveness of the residency are in jeopardy. The PMSR/RRA is a candidate for withdrawal of approval, effective July 1, 2020. The Council is an independent, specialized accrediting agency that provides accreditation and approval services for the American Podiatric Medical Association.
