The Program is currently on probation by CPME following on site visit. PROGRAM IS SUBMITTING REQUIRED DOCUMENTATION TO CPME. PROGRAM HAS NO INTENTION OF WITHDRAWING. CPME requires following verbage for all applicants until probation is lifted.

As required by CPME, the PMSR/RRA sponsored by Fountain Valley Regional Hospital and Medical Center is approved on a probationary basis by the Council on Podiatric Medical Education. Probation indicates that a residency is in noncompliance with the Council’s standards and requirements for approval to the extent that the quality and effectiveness of the residency are in jeopardy. The PMSR/RRA is a candidate for withdrawal of approval, effective July 1, 2020. The Council is an independent, specialized accrediting agency that provides accreditation and approval services for the American Podiatric Medical Association.
