	Payable To: n/a						

Deadline: 11/15/2010**Other Applicant Requirements:** none.**AVAILABLE RESOURCES****Sample Contract:** At CRIP**Benefit Package:** Internet Site**Curriculum:** Internet Site**PROGRAM OVERVIEW**

We have a very well rounded PM&S-36 program. The first year is similar to an internship year in which you complete all of the general rotational requirements. The second year is spent in a busy clinic and in surgery with emphasis on forefoot surgery. The third year is also spent in clinic and surgery with an emphasis on rearfoot, ankle and reconstructive surgery. There is an orthopedic surgery rotation at the end of the second year.
