PROGRAM OVERVIEW

The residency program at Kaiser Permanente Medical Center, Vallejo is a consortium with the KP Medical Centers in Vallejo, Vacaville, San Rafael & Santa Rosa. We take three residents per year for a PMSR/RRA with Added Credential with training in all aspects of podiatric medicine and surgery including TAR and Level 2 Trauma. The first year rotations are done at Kaiser Vallejo plus a one month rotation at Highland ER. Second and third years rotate through the various Kaiser facilities in four month blocks. Kaiser Vacaville is a Level 2 Trauma Center.

We offer a one month clerkship for fourth year students but it is not required for application to the residency program.
