PROGRAM OVERVIEW

Botsford Hospital (BH) is a PM&S - 36 month program. The Pod Med and Surg, as well as the med and surg specialties are well structured with didactic, clinical and surg experiences with expanded RRA and Trauma resources. Knowledge, skills and professional attitudes (KSA's) are closely monitored and encouraged in all rotations. BH is a well established community teaching hospital with over 150 housestaff, 22 residency, fellowships and R-1's, including Pod Med & Surg program. Pod has very busy clinics at the hosp and affiliated institutions with over 4000 patient visits. Research is encouraged and supported. Pod Residents have fully equipped work office with computers and internet access. Simulation Lab excess. Visa documents required for non-US residents. Excellent clerkship available. Hosp visits welcome (not required), great environment for improving your KSA's and Judgment. BH has great resources for academic, clinical and surgical professional training. Visit www.botsford.org go to education for PM&S-36 program info. For details contact director. We look forward to your application.
