PROGRAM OVERVIEW

Three entry level positions for the Podiatric Medicine and Surgery Residency (PMSR with added RRA certificate) are available to graduates from all colleges. A well rounded clerkship is available and visitors are welcome. Please call to speak to our residents if you are unable to visit. Regions Hospital is a Level One Trauma Center affiliated with the University of Minnesota. The majority of training occurs at the hospital, HealthPartners Same Day Surgery Center and HealthPartners Specialty Center. Daily travel between these sites is less than 1 mile. The Foot and Ankle Surgery/Podiatry Service is very active and integrated with the Emergency Department, Trauma Service, Wound Program, Orthopaedics, Plastic Surgery, and Inpatient Medical Services. Residents are respected as a vital part of our Foot and Ankle Team. Please visit the program website at: https://www.healthpartnersohpe.com/programs/medical-residencies/foot-and-ankle-surgery-residency-program/ for additional information.
