Our program offers 5 positions per PGY for a total of 36 months. Residents will have opportunity to work with more than 40 podiatric attendings, performing "hands on" surgery at 11 surgery centers, 7 hospitals, and city clinic. Steady inpatient load leads to a well rounded, practical education. Twice weekly didactic sessions, monthly book club, and unlimited amounts of opportunity for research, publishing, and lecturing complete the experience. Starting in the 2019-20 academic year, our program will be offering 2 international monthly rotations to our PGY2 & PGY3 residents (rotations include Germany, Spain, Austria, and the Bahamas).
