PROGRAM OVERVIEW

Mercy is a CPME approved PMSR-RRA program located in the rapidly growing South Loop district in the beautiful City of Chicago. Our residents perform a large volume of surgery including ankle and reconstructive rearfoot surgery at the hospital and at multiple surgery centers. We also have multiple podiatric and wound care clinics that allow our residents proficiency in general podiatric medicine. Candidate visitation to our program is strongly encouraged, and can be arranged by calling Sabina McCray at 312-567-2167 or by email sabina.mccray@mercy-chicago.org. Granted interviews will be held on the first Wednesday afternoon following CRIPS at Mercy Hospital Medical Center.
