This is a PM&S-36 residency experience, and is currently in the process of converting to the PMSR model. The PGY1 year is at Stroger Hospital of Cook County. During this year, the resident participates in an extremely busy clinic and participates in numerous surgical procedures, including podiatric, orthopedic, and trauma in a county hospital setting. There are additional rotations in Anesthesiology, Behavioral Sciences, Orthopedic Surgery, Pathology and Radiology. The PGY2 & 3 years are linked to Advocate Illinois Masonic Medical Center. The resident will continue their training to increase proficiency in all areas of Podiatric Medicine and Surgery. There are rotations in Emergency Medicine, Infectious Diseases, Internal Medicine, Trauma Surgery, Dermatology and Rheumatology. There is also the opportunity for overseas travel to underdeveloped countries for advanced foot and ankle reconstruction. These are limited opportunities, typically available in the PGY 3 year.
