The residency rotations encompass a wide range of general medical and surgical learning experiences that exceed CPME requirements in a friendly and supportive educational environment which provides over 14 different residency and specialty programs in this widely respected educational institution. This Top 100 rated hospital provides a well-rounded education and emphasis on research with Dr. Guy Pupp as Director of Scholarly Activity. New to the program is the institution of a resident run podiatry clinic. Offering residents comprehensive follow through with their patients in a clinical setting. The residents receive a competitive salary and benefit package, an updated call room, new library and Michigan State University resource access. We offer funding to present at conferences and free annual SEMCME research and chief resident workshops. We have opportunities for medical mission experience. Our two wound clinics and three Surgical Centers provide additional educational training experiences.
