PROGRAM OVERVIEW

This podiatric residency (PMSR/RRA) is a well integrated program with an emphasis on podiatric surgery, diabetic footcare, and clinic. Residents follow inpatients at 2 hospitals with a combined total of 586 beds, and over 60 attendings. With a large surgical base, residents are expected to take on a multitude of responsibilities furthering their podiatric careers. For more information please, visit the hospital website. Program visitation and or student externship is strongly encouraged.
