PROGRAM OVERVIEW

The residency program is equipped with a busy, robust outpatient clinic with a large number of hands-on patient encounters, wound care clinic, and complex cases. The surgical experiences are of wide variety and are comprehensive, well-rounded to include foot and reconstructive rearfoot experiences. The pathology residents are exposed to is vast and makes this program unique. Rotations include foot/ankle surgery at metro surgery centers. Robust academic program to include journal club, board reviews, case defense, etc. Residents at the time of graduation are well-prepared to sit for the ABFAS and ABPM board-qualification examinations.
