JFK Medical Center Podiatric Residency Program is a PMSR/RRA approved program by the Council on Podiatric Medical Education. There are two entry-level positions available with a three year commitment. This program offers a significant volume of reconstructive rear foot and ankle surgery. JFK Medical Center is conveniently located in the heart of Palm Beach County in close proximity to colleges/universities, desirable residential communities, beautiful beaches, excellent schools, Palm Beach International Airport, and train & bus transportation. The program offers a unique, multi-disciplinary approach to resident education. There are a large number of Allopathic rotations which are extremely unique.
