PROGRAM OVERVIEW

Great overall program. Well rounded. Exposure to all aspects of Podiatry from toenails to tibias. However, we do not accept candidates who have completed a previous program. Entry level leads to advanced training after successful completion. We choose our resident primarily from the pool of externs. Therefore you must do the Externship Program to get serious consideration for the Residency Program. May contact director through beeper: 305-660-3333.
