Program Overview
This is a 3-year medical and surgical residency (PMSR-RRA) program. Surgical cases are per resident per year. This program consists of a high volume of foot and ankle trauma as well as elective foot and ankle surgery. In addition, inpatient management, diabetic foot infection evaluation and academic/teaching responsibilities are all part of the residency experience. If you wish to visit the program or have questions about the curriculum, please contact the on-call resident by calling the call phone at (786) 582-9494 or by email at PGHPodiatry@gmail.com.
