PROGRAM OVERVIEW

Residency at Jackson North Medical Center focuses on all sub-specialties of Podiatric Medicine with an emphasis on Foot & Ankle trauma. Program is heavily involved with inpatient management, ER call and comprehensive foot and ankle surgery. Residents participate in yearly publishable research projects. Our affiliation with the Brand Center of Research allows our residents to participate in on-going medical research. This residency program focus on making residents independent and well rounded physicians. Residents have the opportunity to participate in multiple yearly medical mission trips with the Yucatan Crippled Children's Project.
