Program Overview:
The Westside Regional Medical Center Residency is a 3-year high-volume PMSR-RRA program with an emphasis in surgery (joint replacement, external fixation, arthroscopy, trauma, tibial shaft/plafond, ankle, hindfoot and forefoot reconstruction), didactics, and research. Residents are responsible for taking all emergency room call for pathology below the tibial tuberosity at both Westside Regional Medical Center and Plantation General Hospital. Residents perform 1000+ surgical cases, and 2,000+ surgical procedures at 6 different locations along with 1500+ office encounters. There are numerous weekly academics, journal club, sawbones workshops, and cadaver labs. Upon graduation, residents average 2 manuscript publications in nationally recognized journals, and are prepared to enter competitive fellowships, large multispecialty/orthopedic groups, or private practice. The program accepts three residents per year and is best suited for highly motivated, hard working, independent physicians. For more information, please visit: http://westsideregional.com/gme/podiatry/overview.

Deadline: 11/7/2018

Other Applicant Requirements: Externship, or visitation highly recommended

Available Resources:
Sample Contract: At CRIP
Benefit Package: At CRIP
