**PROGRAM OVERVIEW**

PMSR-RR/A [36 month] residency. Rotations are Baltimore VA, Rubin Institute for Advanced Orthopedics, University of Maryland Medical System, Washington DC VA, Walter Reed National Military Medical Center, Martinsburg VA. Emphasis is on the complete care of a wide range of patients in a variety of facilities. Our program emphasizes hands-on training. Special emphasis includes diabetic limb salvage and limb preservation surgery. The program has state of the art paperless medical records system as well as digital and 3D imaging technology. Successful candidates should be interested in well rounded, technologically advanced training that will prepare them for successful practice in a variety of health care settings and board certification. Our ideal candidate continually improves themselves academically and technically; is self motivated; capable of working independently to achieve a goal and work as part of a team to achieve group goals. The successful applicant must meet all of the eligibility requirements for employment by the Veteran's Administration.
