PROGRAM OVERVIEW

The Veterans Affairs Maryland Health Care System (VAMHCS) is a PM&S36 with a 36 month curriculum in podiatric medicine and surgery. Rotations include: Baltimore VA, Washington DC VA, National Naval Medical Center, Sinai Hospital, Northwest Hospital, Rubin Institute for Advanced Orthopedics, Good Samaritan Hospital, University of Maryland Medical System. We are based in Baltimore and rotate throughout the Baltimore/Washington area. Program emphasis is on complete care of wide variety of patient types from pediatric through geriatric. Heavy patient volume of operative cases as well as busy outpatient clinic settings. The program emphasizes hands-on training. Special emphasis include diabetic limb salvage clinics and state of the art external fixation surgery. Our program has state of the art paperless medical records systems as well as digital and 3 dimensional imaging technology. Successful candidates should be interested in high volume, well rounded, technologically advanced training that will prepare them for successful practice in a variety of health care settings.
