PROGRAM OVERVIEW

Training consists of 3 years focused on medicine and surgery of the foot & ankle, augmented with rotations in other crucial disciplines to result in advanced comprehensive training for the Podiatric Surgeon. The program is headquartered at Yale – New Haven Hospital in affiliation with Yale University School of Medicine. VACT-West Haven is a primary affiliate. Training is augmented by 10 additional hospital & surgical center affiliates. The teaching faculty at the Yale program is a group dedicated to the advancement of the profession with a strong foundation in medical education. Faculty includes many nationally and internationally known podiatrists, orthopedists and surgeons. Utilizing tried and true traditional surgical training techniques, residents are guided through three years of progressively advanced training, leading to the development of confident, independent diagnosticians and surgeons. Graduates of the program are easily placed with podiatric and orthopedic groups, as well as academic facilities.
