**PROGRAM OVERVIEW**

We are a PMSR/RRA program.  
 We are located in the heart of Newark, where a plethora of pathology can be found.  
 We concentrate on the Foot & Ankle with an emphasis on limb salvage and wound care and also have a good exposure to trauma and reconstructive surgery. We are dedicated to give a well rounded education in Podiatry. We stress hands on experiences with a strong emphasis on didactics. We have a great relationship relationship with our Orthopedic and Vascular departments and are the only surgical residency program in the hospital.  
 New Wound care center opening soon.  
 All our previous graduates have passed for board qualification. Great job placement post residency.
