A well-rounded program with a heavy emphasis on reconstructive surgery and trauma of the foot and ankle. The program is now fully accredited as a PM&S-36 by CPME. Excellent outside rotations and great working relationship with the general medical staff. Extremely active emergency room, (New Ultra Modern Emergency Department to open 07/2009), with podiatrists performing 80-90% of the foot and ankle trauma cases. We are enrolled in the Present online lecture series and have a full schedule of supplemental lectures, workshops and journal clubs. Weekly radiology grand rounds of all interesting cases. Heavy surgical volume.
