**PROGRAM OVERVIEW**

Residents will be working with both podiatric and orthopedic surgeons at Chestnut Hill Hospital due to a great relationship between Podiatric and Orthopedic Surgery. Residents participate in both AO Basic and Advanced Podiatry courses. We are located in the NW section of Philadelphia with easy access to downtown, it's suburbs, and Manayunk area. This residency program is only able to accept students that are either US Citizens or Permanent Residents (green card holder) since the hospital will not sponsor any resident for a visa. Students are encouraged to visit the program if they are not able to do a clerkship with us. For questions or to schedule a visit, email us at [chhpod@yahoo.com](mailto:chhpod@yahoo.com) or call the podiatric resident on call via hospital operator at 215/248-8200. Visit our website at <http://www.chhealthsystem.com/Services/Pages/Podiatric%20Home.aspx> to learn more about the residency program including any updates. PLEASE SEND ALL SUPPLEMENTAL MATERIALS TO: Chestnut Hill Hospital Podiatric Surgical Residency Program, 8815 Germantown Ave., Suite 11, Philadelphia, PA 19118.
