PROGRAM OVERVIEW

The program provides a full scope of surgical training in all training years with a vast number of surgical attendings - forefoot, reconstructive rearfoot & ankle including Charcot reconstruction, limb salvage and arthroscopy. The podiatry clinic boasts large, clean, spacious treatment rooms, each with a computer for computerized medical records, digital x-rays and access to the "PRESENT" lecture series. The newly renovated operating room is state-of-the-art utilizing the latest technology. Great location: 30 minutes to NYC, 45 minutes to the Jersey Shore, 90 minutes to Philadelphia, 4 hours to Boston and 4½ hours to Washington, D.C. The program is well established, stable and fully approved by the Council on Podiatric Medical Education. Since the program's founding in 1988, over 90 podiatry residents have been trained.
