**PROGRAM OVERVIEW**

The program is multifaceted and well-rounded. Ranging from rear foot reconstructive ankle surgery utilizing the latest techniques along with all facets of forefoot and midfoot surgery. Resident's are required to have a paper of publishable quality by the time of graduation. There is also a wound care center which will provide training and experience in all phases of diabetic wound management, PVD, neurologic conditions, osteomyelitis Charcot reconstruction and limb preservation. The hospitals consist of 3 divisions(Washington Township, Cherry Hill and Stratford) along with the (2) Kennedy surgical centers where surgeries and patient care occurs. The program has currently combined with the ROTHMAN INSTITUTE Foot and Ankle Orthopedics, bringing even further diversity in surgical training. We have been approved by the CPME as a PMSR with RRA Certification "PMSRcert". being able to become certified in rear foot and reconstructive ankle surgery after residency.
