Excellent opportunity for a high energy resident with a thirst for knowledge. The Reading Hospital provides a wealth of learning resources from our large medical staff, trauma center, and Graduate Medical Education Department. The hospital touts a very high volume ED, OR, wound care center, out-patient clinic, and in-patient teaching opportunities. The learning experience will nurture and develop a well-rounded podiatric physician and surgeon who will practice with the utmost ethical standards. Multi-discipline residency programs will provide the educational opportunity for podiatry to integrate as part of the health care team. A very exciting podiatric residency opportunity!
