PROGRAM OVERVIEW

The 3 affiliate campus DVA-New York Harbor Healthcare System medical centers offer an enriched residency program located in lower Manhattan, Brooklyn and Queens. The program has been approved as a 3-year PMSR with the added RRA credential. We maintain affiliations with Gramercy Park Surgery Center in NY, as well as Banner Desert Medical Center and Desert Foot & Ankle PC in Mesa, AZ. Gramercy Park offers the resident high volume surgical exposure in an outpatient ambulatory surgical setting. The one-month rotation each resident performs during each residency year in Arizona offers an in-depth training experience in Pediatrics, Trauma, Rearfoot, Reconstructive and Ankle Surgery as well as office management. The Arizona rotation is currently not reimbursed but is REQUIRED nonetheless. PLEASE BE AWARE OF THIS WHEN APPLYING.
