Program involves both clinical and surgical experiences. The program has been approved as a PM&S-24. All residents will rotate through the above institutions. An intense orthopedic program is available at Bellevue/NYU Hospital. Residents will be working closely with all medical residents during the rotations. A specialized wound care program is available. A well rounded podiatric office rotation is available through Gouverneur. Weekly clinical/surgical lectures, and grand rounds are part of the resident's schedule. Program is also in the process of applying for a fellowship in wound care. An additional position is currently in submission phase by the sponsoring institution for the fellowship. Emergency Department call at Bellevue Hospital (Trauma 1 Center for City of New York)
