PROGRAM OVERVIEW

PMSR with RRA approved program that devotes one full year to orthopedic trauma . Level-one trauma center gives our residents exposure to a wide variety of pathology. Each resident scrubs as primary assistant in more than 500 surgical procedures each year. Podiatry residents scrub cases at NYU Langone Tisch Hospital, NYU Langone Hospital of Joint Disease, and several NYU Langone Surgical Centers starting in their first year.

Past Residents fulfill all requirements for graduation after Year 2.

Students that perform a clerkship are given priority during the selection process.
