PROGRAM OVERVIEW

Recently expanded PM&S-36 program with 2 entry level positions approved for 7/1/2010. This is a well-rounded PMS-36 surgical program in a large 1300 bed facility. Total 31 residency and fellowship programs. Residents will be thoroughly trained in all facets of podiatric medicine and surgery including diabetic wound care, forefoot and rearfoot reconstructive surgery and trauma. The hospital has created an on-site podiatry faculty practice giving the podiatry resident the opportunity to comprehensively treat and follow their surgical and non-surgical patients. Outside private office rotations available as well. BIMC welcomes applicants from all the podiatry colleges. Opportunities available for research.
