Updated 2019 Residency Placement Status

AACPM provides periodic status reports on residency placements from Match Week through the end of June.

The 2019 CASPR Match was released on Monday, March 11 at 11:00 AM Eastern. Unmatched applicants and positions participated in a supplemental matching process known as Match Phase Two (MP II). Match Week placement results were released at 1:00pm Eastern on Friday, March 15.

The following is residency placement data as of March 29, 2019:

**RESIDENCY APPLICANTS: Class of 2019**
- Placed in Residencies: 570 (100.0%)
- To Be Placed: 0 (0.0%)
- TOTAL: 570 (100.0%)

**RESIDENCY POSITIONS:**
- CPME Approved Positions at March 29, 2019: 621
- Positions not filling for this training year: 25
- Total Active Positions Available for this year: 596

When taking overall placements into consideration, 586 (98.0%) of the 598 residency applicants have found residency positions thus far this year. There are 9 (1.5%) applicants that are still seeking a residency position for the 2019-2020 training year.

## About AACPM

Established in 1967, the American Association of Colleges of Podiatric Medicine (AACPM) represents the nine accredited schools and colleges of podiatric medicine and more than 200 hospitals and institutions that offer postdoctoral training in podiatric medicine. AACPM’s mission is to serve as the leader in facilitating and promoting excellence in podiatric medical education leading to the delivery of the highest quality lower extremity healthcare to the public. The Association serves as a nation forum for the exchange of ideas, and information relating to both undergraduate and graduate podiatric medical education.
