When taking overall placements into consideration, 573 (91.1%) of the 629 residency applicants have found residency positions thus far this year. There are 56 (8.9%) applicants that have yet to find a residency position for the 2017-2018 training year.

There are currently no unfilled approved entry-level positions listed on the Association’s web site at http://www.casprcrip.org/html/casprcrip/2017PosUF.asp.

About AACPM
Established in 1967, the American Association of Colleges of Podiatric Medicine (AACPM) represents the nine accredited schools and colleges of podiatric medicine and more than 200 hospitals and institutions that offer postdoctoral training in podiatric medicine. AACPM’s mission is to serve as the leader in facilitating and promoting excellence in podiatric medical education leading to the delivery of the highest quality lower extremity healthcare to the public. The Association serves as a nation forum for the exchange of ideas, and information relating to both undergraduate and graduate podiatric medical education.
