About AACPM

Established in 1967, the American Association of Colleges of Podiatric Medicine (AACPM) represents the nine accredited schools and colleges of podiatric medicine and more than 200 hospitals and institutions that offer postdoctoral training in podiatric medicine. AACPM’s mission is to serve as the leader in facilitating and promoting excellence in podiatric medical education leading to the delivery of the highest quality lower extremity healthcare to the public. The Association serves as a nation forum for the exchange of ideas, and information relating to both undergraduate and graduate podiatric medical education.
