PROGRAM OVERVIEW
The podiatric residency program at Cooper University Hospital is designed as a Podiatric Medicine and Surgery Residency with Reconstructive Rearfoot/Ankle Surgery program. Cooper University Hospital, the clinical campus of Cooper Medical School of Rowan University, is a tertiary care medical center and a level 1 trauma center which serves the entire southern half of New Jersey. The hospital also provides primary care in the surrounding communities. This program is currently approved by the Council on Podiatric Medical Education and is 3 years in length.

All applicants must show proof of successful completion of Part I & Part II of NBPEM before a residency position can be offered. All applicants to our program must sign CASPR release for us to receive board score results. Letters of recommendation should be sent through CASPR by the deadline.

NOTE: If your file is incomplete, this includes the application fee, it will not be reviewed when considering applicants for interviews.
